November 2026

Dear Friends,

As another year draws to a close, our Board of Directors has been reflecting on the grace and unconditional love we have witnessed at The Post over the past twelve months. Every afternoon, teenagers walk through our doors carrying the weight of this difficult world, but thanks to your faithfulness, what they find waiting for them here is not just a safe place to be themselves or share a warm meal, but a Christ-centered refuge where they are known, valued, and loved. When we look back at 2026, we are deeply humbled. The impact you created through your prayers, volunteer hours, and financial generosity, have truly been the hands and feet of Jesus to the youth in our community.

A couple months ago, we welcomed Jacquie back to The Post. She was part of our staff a few years ago as well, and the teens have welcomed her with open and eager arms. She shows the love of the Lord in all her interactions and is generating new growth in the daily attendance. Welcome back to Jacquie, as she impacts these kids in a positive and caring way.

As a Board, we want to express our deepest, most heartfelt gratitude to you—our donors, church partners, mentors, and neighbors. You have entrusted us with your resources and your prayers, and we do not take that stewardship lightly. You are investing in eternal seeds planted in the hearts of the next generation.

As we look ahead to 2027, the need continues to grow, and we are praying boldly for the resources to support many more teens walking through our doors! Thank you for believing in our teenagers, for standing alongside our staff, and for reflecting God's generosity in such a tangible way. You can mail your donation to "The Post" @ PO Box 124, Goshen, IN 46527 or give through our website @ the-post.org/donate. We also have 'The Post Legacy Endowment Fund' at the Community Foundation of Elkhart County.

May the peace and joy of this season fill your home and bless you abundantly in the year ahead.

Merry Christmas, Happy New Year!
