February 2022

Executive Director: Stef Tropf

2022 is here!

Thank you for all your support and care of our ministry for now over 20 years! The Post has been and will continue to be a prominent part in our community because of your help and investment in the mission here.

The past few months have been challenging and joy filled as our teens show up daily. They are battling and searching. Whether it's sharing their triumphs in a job they're holding or the latest fight they had with a friend. They are sharing their lives with us one piece at a time. One thing that never ceases to amaze us here is that our teens, in their many differences, will come here and find themselves sitting around a table playing games or creating art or playing basketball together as one family-like unit. They look out for each other and love being here.

God created us to build relationships with others and here, the teens are finding a sense of belonging. We hope to continue to make this a place of refuge and allow each teen to feel the love of Christ in our interactions with them through intentional conversation and positivity.

## Our Mission:

Our mission is to provide a safe environment for our youth, challenging them through intentional relationships, opening the door to allow God to reveal their identity and purpose through a relationship with Jesus Christ.

BY THIS EVERYONE  
WILL KNOW THAT  
YOU ARE MY  
DISCIPLES, IF YOU  
LOVE ONE  
ANOTHER.

John 13:35
