Meet Our Post Staff

Favian is a familiar face around the Post, and has worked with teens for many years. He enjoys motivating our students, as well as playing basketball and creating memories.

Jacqueline joined the Post in July and has brought her positive energy to our staff and teens. She enjoys spending time talking to our teens and asking tough questions that help build trust and shine a light on truth.

Erik is a college basketball coach and has been on staff since July. His favorite thing about the Post is hanging out with the kids and playing basketball. His height helps make him first pick when the teens play!

Megan has been on staff since August, and has brought her creative urban ministry major to life at the Post. She is a constant source of laughs and loves how God connects our teens through activities and relationships.

Our Mission:

Our mission is to provide a safe environment for our youth, challenging them through intentional relationships, opening the door to allow God to reveal their identity and purpose through a relationship with Jesus Christ.

Post Picnic Recap

Thank you to all who were able and willing to be a part of our Annual Post Picnic Fundraiser! It was a beautiful evening to celebrate and share all that God has done and continues to do in our ministry at the Post!

Your care, whether through prayer, gifts of time, meals, or your monetary donations are all appreciated as we serve the teens who walk through our doors. Because of your generosity, we were able to raise over \$22,000 for our mission at the Picnic!

THANK YOU!

COME VISIT US!

If you wish to get in touch and learn more about our mission, or would like for us to share more with your organization, club, small group, or church, please let Stef know at stef@the-post.org or call (989) 854-0118!

Dimaiya's Prayer

“Dear God,
Thank you for the Post. I pray that you would protect the Post and keep like evil spirits away from the Post and that from this day forward that everything would be all positive and good at the Post. And that it never closes down. AMEN!”

- Dimaiya, 10th grade teen

On the first Wednesday in October, we attended a worship night at a local church. It was here that got to witness one of our own students volunteer to pray aloud for the first time! Dimaiya has been attending the Post for many years, and when asked by the pastor would would pray, her hand shot up! This is just one of many stories lately of students opening their hearts and minds to a life with God as our refuge and comforter as we present him with our prayers. I am so grateful we have the opportunity to serve the youth of our community in many ways! Thank you for coming alongside us! What a memory for the staff and myself, and to remind us of our “WHY!” -Stef
