THANK YOU THANK YOU THANK YOU!

Our 18th annual pancakes & sausage breakfast was a major success as we served 611 people between our dine-in and carry-out options! It was a true blessing to see many community members, family, and friends who have loved The Post for the past 21 years!

Thank you for your support and donations!

Year after year, the Exchange Club wakes up early to prepare and help us make this event happen. We are appreciative of their servant leadership and pancake flipping skills!

Have you seen this squirrel?

On 4/12/22 at 3:54pm, it was reported that this squirrel was observed behind The Post engaging in the very prior to our 1st annual Easter egg hunt. He was last seen enjoying starburst and other candy related products. If you have any information about the whereabouts of this critter, please contact the teens at The Post who have launched a full-scale investigation as to why their candy has gone missing.

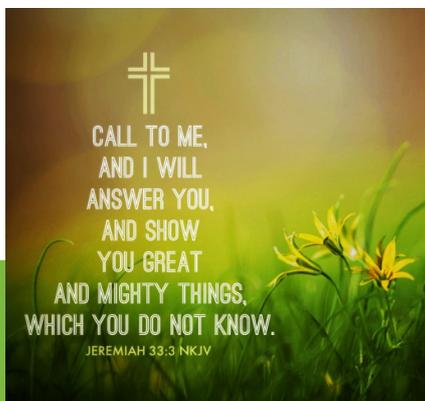

UPCOMING EVENTS

May 27th-28th: Hey Hey Summer! All-Nighter Event!

SUMMER 2022--- Trip to the Ark Experience in Kentucky

Questions...everyone has questions looming around inside their head. What time is it? Who's someone I can trust? What am I having for dinner tonight? Many of the teens who come to The Post are seeking a safe place to grow and make sense of the world around them. We recently did an activity where we asked the teens to submit things they're questioning...check out their responses ----->

The questions and conversations the teens and our staff have on a nightly basis are the moments that God has given for us to pour truth and hope into their hearts. Your continued support helps us provide a space for our teens to open up and share. We hope to encourage, and seek answers alongside them by presenting truths from scripture and to find their identity in Jesus and not the things of this world. We love that we serve a God who is big enough to answer our questions and bring us peace in the unanswered.

How can Jesus be God too? Why? Why is it hard for people to truly love each other? Why? Why is my life like this...what did i do to deserve this? Why? Why do people have to die? Why? Why can't people look past another person's skin color? Why should I believe in God? Why? Why do break ups hurt so much? Why do bad things happen to good people? Why don't people treat me right? What do I do with thoughts of wanting to end my own life? Are my family members safe in Heaven? Why aren't my parents still together? Why? How do I get rid of the hate I feel towards my parents? Why? How can God forgive me for the stuff I've done wrong? Why? Why doesn't anybody talk about mental health and what to do about it? Why? Does God accept me even in my mistakes? Why? When will someone help me? Why? Why do I have to fight to get what I need? Why?

Are you curious about what it takes to be part of our Board of Directors?

We'd love to share with you about how you could join us and serve our organization as a member! If you have any interest, please contact Board President, Sean Behensky- behenskys@1stsource.com or Executive Director, Stef Tropf- Stef@the-post.org
