January 2026

Executive Director: Christy Matthews

A New Year!!!

HAPPY NEW YEAR !!!

A Safe Place

Welcome to 2026 at The Post Youth Center

Where hope is rebuilt, voices are heard, and futures begin again.

More Than an After-School Program

Every afternoon, doors open at The Post Youth Center for youth who need more than just a place to go – they need a place to belong.

We are honored to walk alongside young people who carry real-life challenges and still show up, ready to grow.

Building Strong Foundations

Our programs are designed to develop the whole student – mind, heart, and spirit:

A Story of Hope in Progress

This month, we celebrate resilience.

One of our students is currently battling substance use and difficult life circumstances. Through consistent participation in MRT, prosocial skills classes, and one-on-one mentorship with our lead staff, this student continues to show up – choosing growth over giving up.

They seek guidance. They ask questions. They want structure.

And at The Post, they find family.

Stories like this remind us why we do what we do – change doesn't happen overnight, but it does happen with support.

Mentorship Changes Everything

Our youth don't just come for programs – they come to talk, be heard, and feel supported. Conversations range from school struggles to family challenges to life decisions that carry real consequences.

Mentorship at The Post is not about perfection – it's about presence.

Real Change!!!

WELCOME OUR NEW BOARD PRESIDENT

Becky Cuzzocrea

Born and raised in Elkhart, Becky graduated from Elkhart Central HS. Her husband Terry grew up in Goshen and graduated from GHS. Together, they have 3 children and 8 grandchildren. They are active members of First Baptist Church of Elkhart.

Becky and her husband own Seniors Helping Seniors Northern Indiana, an In-Home Senior Care Service and have been in business for over 3 years. She is an Area Director for Aging Connections of Michiana (Senior Resource group), and the 2026 Event Experience Chair for The Michiana Walk to End Alzheimer's (Alzheimer's Association).

Board President

Lead by Christy's love, supporting the youth of Goshen was laid on my heart. Through my work with aging adults, I've seen needs at both ends of life's spectrum- and I feel called to walk alongside youth here with the same compassion and care.

Thank you

Stacks on Stacks on Stacks!!
