Stories of Strength, Faith, and New Beginnings

There's a young student who walks through our doors each week carrying more than just a backpack. Life hasn't been easy—struggles at home, challenges at school, and moments where giving up felt easier than pushing forward. But through perseverance and dedication, this student keeps showing up. Slowly, we've seen walls come down and confidence begin to rise. With guidance, mentorship, and faith, they are discovering their worth and purpose. As it says in Scripture, "Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up." — Galatians 6:9. This is the heart of what we see every day at The Post Youth Center—young lives choosing not to give up, even when it's hard.

THE NEED

The Post Youth Center is more than just a building—it is a safe place where youth can grow, be heard, and be guided both personally and spiritually. In a world full of distractions and challenges, our youth need a space where they are encouraged to develop life skills, build confidence, and deepen their relationship with the Lord. This work is essential to uplifting and strengthening our community, one young life at a time.

We invite you to be part of this mission. Your time, talents, and presence can make a lasting impact on a young person's life. Help us water the seeds of growth and transformation—because together, we can light the way for the next generation.
